

## 2W – Coaxial Termination

### Design Features

- ◆ High RF performance, ultra-competitive price.
- ◆ Military, space and commercial applications.
- ◆ Custom design available upon request.
- ◆ Support one year standard warranty.

### RF Characteristics

| Model Number | Freq. Ran | Power | VSWR Max | Connector Type | Impedance |
|--------------|-----------|-------|----------|----------------|-----------|
| UIYCT2AK40   | DC-40GHz  | 2W    | 1.3      | 2.92Male       | 50 Ω      |

### Mechanical Drawing
